

1. Colour in your bunting

2. Fold along the solid line

3. Cut out the triangles
(keep the folded edge intact)

4. Repeat until you have as many flags as you like

5. Space them out evenly and cut a length of string / ribbon to the right length (leave enough for hanging)

6. Place the string inside the flags next to the folded edge

7. Glue the flags together to secure them on the string
