

1. Cut out the flags, so each flag has a 'tab' section

2. Fold each flags 'tab' to create a little flap

3. Repeat until you have as many flags as you like

4. Space them out evenly and cut a length of string / ribbon to the right length

5. Place the string inside the flags next to the folded edge and glue the tab to the back of the flag

6. Repeat until you have a buffet of bunting!
